Our March Newsletter will contain By-law changes that will be voted on at the Annual Board Meeting on April 21, 2018 at 1:00 pm.

It is very important that you read the March Newsletter when you receive it .

LAKE TRASK TIMBER TRAILS ASSOCIATION

FEBRUARY 2018 NEWSLETTER

Why Volunteer

With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering are enormous to you, your family, and our community. Through volunteering you can challenge yourself to try something different, achieve personal goals, practice using your skills and discover hidden talents.

When volunteering you can gain confidence by giving you the chance to try something new and build a real sense of achievement. Meeting and getting to know new and different people, opens the door to new friendships. You might even get the opportunity to learn some new skills.

Generations of Lake Trask members look back on the memories that they have created, and now want to pass on, as well as to create new memories. All events at Lake Trask are organized and take place because of volunteers. Volunteering at the events would have a valuable impact on your children, they are the next generations.

Volunteering can also have a significant impact on our budget. While trying to keep Lake Trask in good repair and doing improvements we realize that we need our dollars to go twice as far as they did 20 years ago, but we would also like to have them go twice as far as they did 2 years ago. Generally, we begin by deciding if our employees or if a member might have the skill and/or knowledge to take on the project. We have talented, and hardworking employees, but their schedule is very busy. We have many highly skilled members that often have skills that we need. Thanks to volunteers like Drew Pfingston giving of his time, energy, and skills he saved YOU thousands of dollars when we updated the kitchen. There are many skilled and unskilled ways to volunteer at Lake Trask.

When you look at the many wonderful things we have at Lake Trask, keep in mind that we have a total of 4 employees. Those employees can not do it all and we do not have the budget to hire other employees or hire someone to do all the repairs we need done. That is why we need skilled volunteers.

What can I do, I have no skills? Can I volunteer for an event of my choice? Can I start a new event? How much time do I need? Can I volunteer to work on my own loop? These are a few questions I asked myself when I was thinking about volunteering at Lake Trask. There are so many things that needs to be done that do not require any skills. You can volunteer as much as you want. You can choose to volunteer at our favorite event or all the events. If you have an idea for a new event, just contact the office.

The best way to let us know that you would like to volunteer is to contact the office, in person, by phone or email. Let them know what you would like to do, what event or events you would like to help with, and/or what skills you want to share with us.

There are several way to find where we need volunteers. Check with the office, check the calendar of events, and the "Lake Trask Volunteers Corner" in your newsletter.

By volunteering, people can give something of themselves and make valuable contribution to Lake Trask. We all need to say thank you to every one of you that has given to Lake Trask, you are what makes us great. Have you given back to Lake Trask, please start now. OUR next generation needs you.

LAKE TRASK VOLUNTEERS CORNER

VOLUNTEERS NEEDED:

March 10th - We need volunteers to help with site inspections. We will meet in the lodge at 10:00 am for some brief training. We will head out in groups or partners. PARK OPERATIONS:

The entrance to the Ballfield is not a dumping site any more for your brush, we are trying to get this cleaned up so that we can get to the ball field. This area is supposed to be clear as the ball field is an emergency helicopter pad. If you have a bunch of brush call to have the brush wagon delivered to your site or leave it on your driveway at your site and we will pick it up.

Another item that needs to be addressed and that is the dumpster. You are only supposed to put your garbage that you make here not clean out your RV's and put your couches, dressers, cabinets, mattresses, refrigerators, BBQ's, stoves, furnaces, broken chairs, roofing materials, and TV's. All of these items have found their way into the garbage dumpster this year on a regular basis, this is causing our garbage bill to increase dramatically and we have had to have the dumpster dumped 2 times a week as it has been overflowing. We need to only put garbage that is made here and not use it for broken or not working items in our RV's. This will reduce the cost of operation at the park.

Make sure if you are doing any building or structure work on your site make sure you have a Green Construction permit posted on your site before you start.

Important Notice:

Starting in March Green Diamond will be starting to log the area from the entrance gate down the road to the bottom of Lake Trask Road, they will be cutting on both side of the road.

DONATIONS ARE NOW BEING
ACCEPTED IN THE OFFICE
FOR THE BIG FISH FUND.

ATV NEWS:

- Are you an ATV rider?
- Are you riding in the correct locations?
- Are you using the equipment correct?
- Are you wearing the appropriate gear?

Please mark your calendars for March 17, 2018.

You are invited to attend the General Board Meeting (Optional) at 10:00 am, then join us after the meeting for a potluck luncheon at 12:00 pm and the ATV meeting to follow the luncheon to discuss concerns, problems and get some answers. All Riders are asked to Please Attend the Meeting.

TRAILERS

Ever wanted a Trailer on your site?

Ever needed extra room for guests or kids?

Not afraid to do a little work to fix one up?

Have a relative in the junk scraping business?

Then we may be able to help you out.

Lake Trask is trying to get rid of
abandoned Trailers.

We have either a title or a sheriff's
release of interest report on all trailers
we are getting rid of.

Please contact the Office and speak with
Gary Dail or Board Member - Jason Moberg
for more information on the trailers or to
schedule a time with Gary to look at the trailers.

ATTENTION MEMBERS:

We wanted to give all of the Members plenty of notice.

A Fellow Member will be hosting a very large Wedding Event the weekend of August 10 - 12, 2018.

The Lodge, Ballfield, Gazebo and all Courtesy Sites have been reserved for that weekend.

Parking will be very limited around the Lodge.

We are asking that you please do not schedule any other events at the Lake for that weekend as we will be at max capacity.

Thank you,
